**Re:   Renee M. Butz v. Lawns Unlimited LTD et al  
Civil Action No. 05-495-JJF**

Dear Ed:

Attached are copies of interrogatories and the request for production of documents where I have marked those that I do not believe we should answer with respect to the others, please collect information which is responsive and be prepared to speak with me about them sometime next week. You should have gotten the request for admissions as well. I need to admit or deny each of those statements. Could you please be prepared also to speak about those with particularity when we speak on the phone.

Very truly yours,

WILSON, HALBROOK & BAYARD
